# SIET 2026 – Ordinary, Organized and Special Sessions

*Detailed programme*

## Session 1. Urban Accessibility and Proximity

### TRACK A - Urban Accessibility and Mobility Behaviour

Thursday, September 10th | 12:00-1:30 | Room 2 (Sala del Teatro)

- 1. L'integrazione dei dati amministrativi e di indagine per l'analisi della mobilità sistematica**  
Colleoni, M.; Caiello, S.; Ramusik, A.
- 2. Measuring Accessibility to Schools: A National-scale Assessment of Distribution and Local Proximity in the Italian Education System**  
Renzoni, C.; Beria, P.; Donadoni, E.; Sorbona, S.
- 3. Safe lanes, cycling students. Does infrastructure investment support pro-environmental behaviour in commuting to college?**  
Myftiu, J.; Crotti, D.; Maggi, E.
- 4. The 15-Minute City in a Developing Country Context: Insights from Nairobi**  
Omwamba, J.; Rotaris, L.; Mwangi, I.; Longo, G.; Sietchiping, R.

## Session 2. Mobility Choices and User Preferences

### TRACK A - Urban Accessibility and Mobility Behaviour

Thursday, September 10th | 4:00-5:30 | Room 2 (Sala del Teatro)

- 1. Losing the Fast Lane: Travel Behavior Impacts of Removing EV Access to Public Transport Lanes in Oslo**  
Seravalli, G.; Ciccone, A.; Weber, C.
- 2. Consumer willingness of hybrid grocery service in Italy: evidence from a stated preference experiment**  
Omwamba, J.; Ricchetti, C.; Rotaris, L.; Longo, G.
- 3. Using discrete choice modelling to investigate individual preferences for sustainable urban mobility and the role of mobility hubs**  
Bergantino, A.S.; Carlet, F.; Gardelli, A.; Intini, M.; Patuelli, R.
- 4. Robust outcomes using Discrete Choice Experiments in participatory planning**  
Gatta, V.; Iannaccone, G.; Marcucci, E.; Scaccia, L.

## Session 3. Road Safety and economic values

### TRACK A - Urban Accessibility and Mobility Behaviour

Thursday, September 10th | 2:30-4:00 | Room 2 (Sala del Teatro)

- 1. The unbearable meaningfulness of cycling. Moderation effects of road unsafety in countryside bike tourism**  
Myftiu, J.; Comerio, N.; Crotti, D.
- 2. Una metodologia place-based a supporto della pianificazione della mobilità sostenibile**  
Alberti, F.
- 3. The Hidden Costs of Traffic Congestion**  
Werthschulte, M.; L'oschel, A.; Price, M.; Razzolini, L.
- 4. Comportamenti non sicuri alla guida e incidenti tra gli adolescenti in Toscana, Italia**  
Profili, F.; Olivadoti, S.; Voller, F.

## **Session 4. Urban Planning and Multi-Level Governance**

### **TRACK A - Urban Accessibility and Mobility Behaviour**

Thursday, September 10th | 9:00-10:30 a.m. | Room 2 (Sala del Teatro)

#### **1. Navigating the Methodological “Bermuda Triangle” of Urban Freight Policy Planning: Guidelines, Literature, and Practice**

Erriu, R.; Gatta, V.; Marcucci, E.; Beckers, J.

#### **2. Dalle strategie europee all’attuazione nazionale: il ruolo dei PUMS nel quadro del Regolamento TEN-T**

Millio, F.; Giaume, C.; Pechin, S.

#### **3. Adapting Sustainable Urban Mobility Planning principles to car-dependent small and medium-sized cities: evidence from five municipalities in North Macedonia**

Lunkar, V.; Stefanelli, T.; Martino, A.

#### **4. Intermediate Cities and Transport Systems in Embedding Global Agendas: A Multi-Level Approach to SDG Implementation**

Carlucci, F.; Trincone, B.

## **Session 5. Urban and Sustainable Logistics**

### **TRACK C - Networks, Infrastructure and Logistics**

Thursday, September 10th | 12:00-1:30 | Room 3 (Sala della Luce)

#### **1. Retrospective TCO Analysis of Fleets: The Cityporto Case**

Corti, F.; Nava, A.

#### **2. Measuring the Vulnerability of Intermodal Logistics Systems. A Composite Indicator Approach for the Italian Freight Network**

di Ruocco, I.

#### **3. Urban Freight Governance in the 15-Minute City: A Stakeholder Salience Perspective**

Marcucci, E.; Gatta, V.; Tapia, R.; Zucchini, M.; Dehkordi, F.

#### **4. Environmental Investment, Green Policy, and Regional Energy Efficiency: Why It Matters for Transport and Logistics**

García-Álvarez, M.; Lattarulo, P.; Varela-Candamio, L.

## **Session 6. Railways, Reliability and Service Markets**

### **TRACK C - Networks, Infrastructure and Logistics**

Thursday, September 10th | 2:30-4:00 | Room 3 (Sala della Luce)

#### **1. Rail Service During Strikes: Analysis of Guaranteed Trains and Service Reliability in Lombardy**

Grechi, D.; Segato, M.

#### **2. Flight Delay Transmission, Recovery, and Propagation in European Air Transport**

Gualini, A.; Malavolti, E.

#### **3. The Cost of Rail Delays Across Passenger Types: Frequency, Reliability, and Welfare Losses on the Regional Railway Network**

Lattarulo, P.; Piccini, L.; Shtele, E.

## **Session 7. Tourism, Territories and Sustainable Mobility**

### **TRACK B - Sustainability and Energy Transition**

Thursday, September 10th | 9:00-10:30 a.m. | Room 1 (Sala delle Robbiane)

#### **1. Air Transport Gateways and Overtourism Vulnerability: A Mobility-Based Perspective on Apulian Municipalities**

Bergantino, A.S.; Buongiorno, A.; Intini, M.

#### **2. Accessibilità, mobilità turistica e sostenibilità in prospettiva evolutiva: evidenze dalla Toscana (2017-2025)**

Conti, E.; Piccini, L.

#### **3. In the eye of the beholder. Residents' perceptions of tourism and transportation impacts in Italian destinations**

Bergantino, A.S.; Crotti, D.; Intini, M.; Maggi, E.

#### **4. The Effects of Unlocking Intra-African Air Connections**

Gualini, A.; Ogliari, L.; Scotti, D.

## **Session 8. Ports, Shipping and Maritime Sustainability**

### **TRACK C - Networks, Infrastructure and Logistics**

Friday, September 11th | 11:30-1:00 p.m. | Room 3 (Sala della Luce)

#### **1. La disparità di genere nel settore dei trasporti: un focus sui porti italiani**

Bonciani, B.

#### **2. La valutazione del ruolo dei porti italiani nella transizione energetica: una proposta di indicatore di vulnerabilità ed uno di market readiness**

Baccelli, O.

#### **3. Impact of the End-of-Life Phase in the Maritime Sector: Focus on Ship Recycling**

Ali, N.; Ferrari, C.; Mantoan, B.; Tei, A.) porti e sdg

#### **4. Can Energy Management Systems Improve Energy Efficiency in Port–Rail Freight Nodes?**

di Ruocco, I.

## **Session 9. Logistics Networks and Intermodality**

### **TRACK C - Networks, Infrastructure and Logistics**

Thursday, September 10th | 4:00-5:30 | Room 3 (Sala della Luce)

#### **1. Piedmont as a Logistics Hub in the Rhine-Alpine Corridor: Infrastructure Modernisation, Inland Terminal Integration and Regional Competitiveness**

Bargero, C.; Dianin, A.

#### **2. Uneven Maritime Connectivity a Country-Level analysis of the Global Liner Shipping Network**

Cremaschini, F.; Ferrari, C.

#### **3. Closing the Implementation Gap in Urban Freight Planning: Setbacks, Implementability Gates, and a Governance-and-Engagement Toolkit**

Smeraldo, E.; Erriu, R.; De Angeli, I.; Marcucci, E.; Gatta, V.

## **Session 10. Decarbonisation and Vehicle Technologies**

### **TRACK B - Sustainability and Energy Transition**

Thursday, September 10th | 4:00-5:30 | Room 1 (Sala delle Robbiane)

- 1. Overcoming Range Anxiety: The Influence of Local and Neighbouring Charging Stations on Electric Vehicle Sales in Italy**  
**Baldaccini, D.**
- 2. Zero-Emission Trucks: An Agent-Based Framework for Assessing the Operational Feasibility of Multi-Energy Freight Systems**  
**Niazi, A.**; Danielis, R.; Scorrano, M.; Masutti, M.
- 3. La filiera automotive in Toscana tra resilienza, transizione e vulnerabilità**  
**Giannetti, R.**; D'Alessandro, S.; **Alberti, E.**; Camillieri, S.; dello Sbarba, A.; Campanale, C.; Intenza, M.; Magnacca, F.
- 4. Communicating the climate change-transport nexus: an underexplored topic**  
**De Angeli, I.**; Maggi, E.; Gatta, V.

## **Session 11. Transport and territorial competitiveness**

### **TRACK C - Networks, Infrastructure and Logistics**

Friday, September 11th | 2:00-3:30 | Room 3 (Sala della Luce)

- 1. Quis valutet ipsos valutatio?**  
**Massiani, J.**
- 2. Geopolitics and port infrastructure investment in developing countries: drivers, patterns, and policy implications**  
Crotti, D.; Ferrari, C.; **Tei, A.**
- 3. Mappare la Space Economy: nuove strategie di identificazione dell'ecosistema italiano e resilienza d'impresa allo shock da Covid-19**  
Bergantino, A.S.; **Fusco, G.**
- 4. Assessing Road Network Resilience through Flow-Weighted Centrality and Equilibrium-Based Traffic Modeling**  
Pagliara, F.; Siettos, C.; **Bashir, T.**

## **Session 12. Economic Appraisal and Major Infrastructure**

### **TRACK C - Networks, Infrastructure and Logistics**

Friday, September 11th | 09:00-10:30 a.m. | Room 3 (Sala della Luce)

- 1. INVECE DEL PONTE - Limiti progettuali, economici, ambientali del progetto “preliminare” e alternative infrastrutturali per l'attraversamento stabile dello Stretto di Messina e lo sviluppo dei territori**  
**Signorino, G.**
- 2. Valutazione socio-economica dei progetti e utilità marginale decrescente del reddito**  
**Massiani, J.**; Ponti, M.
- 3. The Messina Strait Fixed Link: A Critical Literature Review on Project Appraisal and Infrastructure Alternatives**  
**Cirà, A.**; Lanza, G.; Pirrone, C.; Signorino, G.
- 4. Infrastrutture di trasporto tra PNRR e riforme: profili di concorrenzialità e di efficienza nel procurement**  
**Gori, G.**; Lattarulo, P.

## Session 13. Data and Innovation in Mobility Systems

### TRACK A - Urban Accessibility and Mobility Behaviour

Friday, September 11th | 09:00-10:30 a.m. | Room 2 (Sala del Teatro)

- 1. Servizi flessibili ed app di mobilità: un'indagine dei fattori comportamentali che ne influenzano l'utilizzo. Insights dal Progetto FlexiMobility.**  
Costa, V.; Campanini, F.
- 2. Demand-responsive transport for older adults: spatial prioritization through a DP2-based approach in Genoa**  
Pavanini, T.; De Anna, M.; Ivaldi, E.; Musso, E.
- 3. Who Systematically Rejects Shared Mobility and Why? Evidence from a Stated Choice Experiment**  
Bergantino, A. S.; Gardelli, A.; Intini, M.; Rotaris, L.; Shah, A.
- 4. Habit Formation and Non-Systematic Mobility in Peri-Urban Areas: A Latent Class Analysis**  
Crotti, D.; Maggi, E.; Tagliabue, A.

## Session 14. Costs and Financing of Transport Systems

### TRACK C - Networks, Infrastructure and Logistics

Friday, September 11th | 09:00-10:30 a.m. | Room 4

- 1. Evidenze dai prezzi dei carburanti: un'analisi delle serie temporali con proiezioni locali e break strutturali esogeni**  
Amaddeo, E.; Bergantino, A.S.; Fusco, G.; Intini, M.; Monturano, G.
- 2. Fare-Free and Subsidised Public Transport in Europe: Evidence, Policy Lessons, and Economic Differences**  
Di Ruocco, I.; Lattarulo, P.; Piccini, L.
- 3. Cycling tourism and bike lane investment in tourism destinations: the role of tourism taxes and quality coordination in a spatial competition model**  
Crotti, D.; Comerio, N.
- 4. Do resident discounts benefit consumers? Unintended consequences of cross-border energy policies**  
Bergantino, A.S.; Intini, M.; Pino, F.

## Session 15. Bridging or Widening Gaps? Infrastructure, Inequality, and the Energy Transition in the Southern Mediterranean

### TRACK B - Sustainability and Energy Transition

Organized by G. Navarro Tilloca, IMT Lucca

Friday, September 11th | 09:00-10:30 a.m. | Room 1 (Sala delle Robbiane)

- 1. Decarbonizzazione dei trasporti terrestri in Sardegna**  
Fancello, G.; Piras, F.; Sottile, E.
- 2. The Hidden Side of Residential Costs: When Housing Costs Meet Mobility Costs. Location Affordability in the Metropolitan Region of Barcelona**  
Visioli, A.
- 3. Investigating the simultaneity of transport decarbonization, social impact institutions, and inclusive governance**  
Bergantino, A.S.; Dineros, A.; Nademi, Y.; Peer, S.
- 4. Islands, societies and tales of energy transition: Social inequalities and energy vulnerability in the energy transition era**  
Navarro Tilloca, G.; Checa, J.; Nel-lo, O.; Facchini, A.

## **Session 16. High speed rail**

### **TRACK C - Networks, Infrastructure and Logistics**

Friday, September 11th | 2:00-3:30 | Room 4

- 1. Assessing the Socioeconomic Value of High-Speed Rail in Italy: Evidence from Housing Market Dynamics through Machine Learning**  
Di Ruocco, I.; Moradzadeh, A.; Pagliara, F.
- 2. Analysing passengers' preferences for high-speed rail: low-cost operators and modal substitution effects**  
Avogadro, N.; Borsati, M.; Giagnorio, M.; Gregori, M.
- 3. Slot allocation, time bands and new entry in high-speed rail markets: a Salop model with regulatory design**  
Crotti, D.; Beria, P.

## **Special Session 1: Land-Use Transport Interactions in Non-Metropolitan Areas**

### **TRACK C - Networks, Infrastructure and Logistics**

*Organized by T. Battilocchi & F. De Angelis, Politecnico di Milano*

Thursday, September 10th | 9:00-10:30 a.m. | Room 3 (Sala della Luce)

- 1. Understanding the differentiated impact of the determinants of regional railway ridership in Lombardy**  
Battilocchi, T.; Beria, P.; Mattioli, L.
- 2. The chimera of speed: assessing the high-speed rail accessibility gap in intermediate territories**  
Deangelis, F.
- 3. 200 000 ha. Revisiting the relationship between Sardinian settlement patterns and railway infrastructure**  
Zucca, V.
- 4. Collaborative shared mobility: exploring new partnerships and governance models for peripheral**  
Lanza, G.; Pucci, P.; Sierra Muñoz, J.

## **Special Session 2: Economic Implications of Transportation Disruptions**

### **TRACK B - Sustainability and Energy Transition**

*Organized by A. Nava & L. Greco, University of Padua*

Friday, September 11th | 2:00-3:30 | Room 1 (Sala delle Robbiane)

- 1. Oil Price Shocks, Shipping Conditions and Inflation-at-Risk**  
Anderl, C.
- 2. When Oil Cannot Move: The Inflationary Consequences of Maritime Oil Supply Shocks**  
Nava, A.
- 3. Geopolitical Oil Supply Shocks and the Shipping Channel**  
De Cesari, C.
- 4. Optimal policy response in the presence of Keynesian bottlenecks**  
Margaris, A.

### Special Session 3: Urban Policies

#### TRACK A - Urban Accessibility and Mobility Behaviour

*Organized by P. Malgieri, TRT Trasporti e Territorio*

Friday, September 11th | 11:30-1:00 p.m. | Room 2 (Sala del Teatro)

- 1. Spazio pubblico e politiche urbane di genere**  
Belingardi, C.
- 2. Dal TPL alla mobilità condivisa**  
Gentile, V.
- 3. Innovazione tecnologica: i veicoli a guida autonoma**  
Arnone, M.
- 4. Logistica urbana - ciclogistica**  
Repetto, E.

### Special Session 4: Moving humans: from driving behaviors to neighborhood transformation

#### TRACK A - Urban Accessibility and Mobility Behaviour

*Organized by M. Nanni, ISTI-CNR*

Friday, September 11th | 2:00-3:30 | Room 2 (Sala del Teatro)

- 1. How do car routing strategies and city structure impact vehicular urban emissions?**  
Cornacchia, G.
- 2. Neighborhood transformation: from theoretical gentrification to the impact of recommender systems**  
Mauro, G.
- 3. Learning how humans choose their car trip routes**  
Ritelli, I.
- 4. Context and attitude factors in overspeeding of drivers**  
Nanni, M.

### Special Session 5: New Data Sources for Interpreting Urban Transformations: Implications for Urban and Transport Policies

#### TRACK C - Networks, Infrastructure and Logistics

*Organized by F. Alberti, University of Florence & C. Agnoletti, IRPET*

Thursday, September 10th | 4:00-5:30 | Room 4

- 1. Geografia della presenza: Big data per un approccio integrato tra forma urbana e mobilità**  
Zetti, I.; Alberti, F.
- 2. L'integrazione tra politiche di mobility management e data collection: l'esperienza del Comune di Firenze**  
Tartaglia, V.
- 3. Alcune nuove tecniche dell'intelligenza artificiale possono risolvere i problemi della mobilità e dei trasporti e quali dati sono necessari**  
Nesi, P.
- 4. Il patrimonio edilizio toscano attraverso gli APE — Dati a supporto della transizione ecologica regionale**  
Agnoletti C., Ferretti C.

# Stakeholder Sessions

*Round tables bringing together academics and stakeholders*

## **Stakeholder Session: Sustainable Mobility and Energy Transition: Contradictions and New Forms of Marginalization**

### **STAKEHOLDER SESSION**

*Chair: P. Lattarulo - L. Piccini (IRPET)*

Thursday, September 10th | 12:00-1:30 | Room 1 (Sala delle Robbiane)

#### **1. Automotive e riconversione energetica**

**Giuseppe Pozzana** - Presidente Associazione Movet

#### **2. Vettori Energetici e Nuovi Paradigmi: L'Evoluzione della Mobilità nella Transizione Ecologica**

**Giovanni Ferrara** - Dipartimento di Ingegneria industriale, Università degli studi di Firenze

#### **3. Il percorso di ATM verso la sostenibilità**

**Arianna Fabbri** - Chief of Strategy and Business Development ATM - Azienda Trasporti Milanesi

#### **4. L'offerta di trasporto pubblico locale e il costo della riconversione**

**Anna Valoriani** - Responsabile Settore Trasporto Pubblico Locale su gomma - Osservatorio Mobilità di Regione Toscana

#### **5. Mobilità e accessibilità nelle aree periurbane. Quale sostenibilità?**

**Elena Maggi** - SIET e Università degli studi dell'Insubria

## **Stakeholder Session: Infrastructure and Accessibility to Combat Protectionism: Reforms, Resources, and Rules**

### **STAKEHOLDER SESSION**

*Chair: E. Becattini (Direttore Mobilità, infrastrutture e trasporto pubblico locale, Regione Toscana)*

Thursday, September 10th | 2:30-4:00 | Room 1 (Sala delle Robbiane)

#### **1. Scenari del trasporto marittimo nel contesto internazionale: le rotte alternative e i nuovi investimenti per reagire alle crisi**

**Alessandro Panaro** - Caposervizio Area Maritime & Energy, SRM

#### **2. Porti, rete e investimenti, come fattore di competitività internazionale**

**Davide Gariglio** - Presidente Autorità di Sistema Portuale del Mar Tirreno Settentrionale

#### **3. Il ruolo degli interporti per lo sviluppo di una logistica sostenibile**

**Raffaello Cioni** - Amministratore Delegato Interporto Toscano Amerigo Vespucci

#### **4. Infrastrutture e accessibilità, per sostenibilità ed intermodalità, lo sviluppo del sistema ferroviario**

**Marco Toccafondi** - Responsabile Sviluppo Infrastrutture Area Centro-Nord, Rete Ferroviaria Italiana

#### **5. Le reti di trasporto di fronte alla riconversione energetica**

**Alessio Tei** - SIET e Università degli studi di Genova

## **Stakeholder Session: Prevention and Health: Individual Behaviors, Risk Perception, and Speed**

### **STAKEHOLDER SESSION**

*Organized by Associazione Lorenzo Guarnieri Onlus*

*Chair: P. Lattarulo (IRPET)*

Friday, September 11th | 11:30-1:00 p.m. | Room 1 (Sala delle Robbiane)

#### **1. Introduzione: Safe speed - il pilastro più importante nella costruzione di un safe system**

**Stefano Guarnieri** - Presidente Associazione Lorenzo Guarnieri Onlus

#### **2. La percezione del rischio - focus sulla velocità**

**Pierluigi Cordellieri** - Università La Sapienza di Roma

#### **3. L'esperienza di Bologna Città 30**

**Andrea Colombo** - Project manager Bologna Città 30, Comune di Bologna

#### **4. Sistemi per il controllo automatico della velocità. Valutazione dell'efficacia nella prevenzione degli scontri stradali**

**Giovanni Savino e Marco Pierini** - Università degli studi di Firenze

#### **5. Sicurezza percepita e uso della bicicletta: evidenze empiriche sul pendolarismo e sul cicloturismo in Italia**

**Daniele Crotti** - SIET e Università degli studi dell'Insubria
